

IBM CLOUD SERVICE

Team ID: PNT2022TMID20124

Project Name IoT Enabled Smart Farming Application

Creating IBM CLOUD Service Account

The screenshot shows the IBM Cloud registration page in a web browser. The browser's address bar displays the URL: `cloud.ibm.com/registration/payment?featureCode=bd5893f622c7028fd59ffe5362ea380`. The page has a dark theme with a blue header bar. In the top right corner of the header, there are links for 'Catalog', 'Cost estimator', and 'Docs'. The main content area is titled 'Verify identity' and features a sun icon. It contains two primary sections: 'Apply code' and 'Secure your account'. The 'Apply code' section is active, showing a text input field with the code 'bd5893f622c7028fd59ffe5362ea380' and an 'Account ID' field with the value '2e9fdda7b3354929b2e1d98927ffidcd'. A large blue 'Create account' button is positioned below these fields. The 'Secure your account' section includes text about verifying identity with credit card information and a 'Create your account for free' section mentioning access to 40 always-free products. The bottom of the page shows a Windows taskbar with the date and time set to 12:02 PM on 11/12/2022.
